Presidents Report

The wait is over. We are now graded, are starting training and trial games are upon us! Massive thanks to our hard working committee who have got us to this point. In particular our football managers and registration team who handle this difficult task with amazing efficiency each season. As we tick down to April 10 it is time to remember that as a club, Gosford City Dragons pride ourselves on playing hard but fair. We take the good with the bad and we enjoy our football. We don't argue with the ref, and we shake hands after the game. I also remind our people on the sidelines that we always cheer our players in a positive and supportive way. Let's make season 2010 a successful and happy one for our great club.

See you down at Gavo! Pedro

Football Manager Men

Trial games & grading are underway. Thanks to Craig Ham, Murray Webster, Greg Hayne (35s) Ben Cohen & Chris Fitzsimmons (Seniors) for their help in mowing the school oval.

We have had an overall increase in the number of senior men's teams. We will have 18A, 18C AA1, AA3, AA5, AA7, AA8, 35B, 35C, 35D & for the first time 45s.

As mentioned last month you need to book the school oval with me by email seggiec@cba.com.au or 0414 686 098 .

Don't assume you can just turn up & train as the school also have other sports booked to use the oval.

We still have a few vacancies in some teams but not many so be quick if you don't want to miss out. The season will start 10/4/10 the weekend after Easter.

Cheers Col
